Introduction

- PQRS .5% Bonus is available for 2013 and 2014
- 2007 was PQRS's 1st year & was a disaster
 - Processing was slow
 - Methodology was cumbersome / required 80% of outpatient visits
- Changes made in 2008 included a 2nd method to qualify → Registry Method
- 2013 regs essentially same as 2012

Registry Method

- VIP has contracted with DocSite for the 4th year in a row
- 20 patients, 11 must be Medicare
- 22 Measure Groups, including:
 - Preventive Care
 - Diabetes
 - Chronic Kidney Disease
 - Rheumatoid Arthritis
 - Back Pain
- Each Measure Group has its own qualifying demographics
- EVERY specialty can use Preventive Care to earn its bonus

How Do I Qualify?

- Ask simple questions of patient
- Enter the data into the DocSite Website
- Completed very quickly
- The good news! It's NOT too good to be true!

Cost

- \$199 for Partners Members and Guests
 - (This is special negotiated pricing. Use coupon code VIPPQRS13 at the end of the submission page)
- Calculate projected bonus based on .5% of Medicare Part B collections
- Use Personal NPI and Tax ID
- Bonus to be paid in Fall, 2014 @ .5% of 2013 Medicare Part B Collections
- Non-participation means a 1.5% penalty on Medicare Part B collections beginning January, 2015
