Want to save on office supplies? Our new contract provides immediate savings, estimated at \$1,000 per member annually. The prices compared very favorably to Costco – Wow! [Click here for program details](#)

2. Save up to 25% on Credit Card Processing Fees

Capital Bankcard Options, our newest Physician Resource Center member, offers our members a better deal on credit card processing. A pilot study in our office demonstrated ease of use and significant savings. Estimated savings of \$700 are projected for the average member.
