Annual Meeting: Creating the Value Proposition to Drive New Payer Contracts

Dr. William Faber, CMO, Health Directions will share how providers are benefiting from clinical integration and value-based contracting. Clinical Integration can be the value proposition for new payer contracts. At the meeting, you'll learn about our new patient outreach website, and see the free, new mobile patient app powered by GenieMD. We'll provide fabulous food and wine, plus excellent door prizes! Don't miss it! **RSVP Today**

Cost Savings

- 15.5% - 33% savings are reported from our **Group Purchasing** program.
 - \$57,586+ member savings are projected from our **Medical Waste** program
- Many practices are already saving – why not yours?* Exclusively for Physician Partners and Physician Resource Center members.

Launch of myQcare!

To provide our physician group with a patient-centric website, we created myQcare.com. The name stands for "My Quality Care". Patients want easy access to physicians and accurate health information resources. Our practices want cost-effective support in patient communications and marketing. The website is full of interesting news and health resources. We invite you to participate and share articles relating to your practice today.

myWeb-page

Every Physician Partners member can have their own webpage effective May 15. To check out your current profile and photo, go to myQcare.com. Contact us to update your profile.
