Bottom Line Solutions: Physician Partners and the Physician Resource Center are proud to offer our members new solutions to decrease administrative costs. Here is our latest example:

• **The Rose Group**

CA law changes on July 1 for paid sick time. Our newest corporate partner provides employment law services and consulting to protect your practice from potential HR risks. To hear their recent webinar, go to: <http://physicianresourcecenter.com/learning/videos/>

For more information on The Rose Group, email: veronica@partnersdocs.com

Payor Updates:

- **Aetna & Coventry First Health** have merged and are creating a separate workers' comp company. Each payer has sent out an assignment Amendment. There is no need for you to sign these documents, if you are contracted through Physician Partners.
- **Three Rivers (TRPN)** recently sent out a BAA to physicians. Again, there is no need for you to sign and return this document, if you are contracted through Physician Partners.
- **Multiplan** mailed a postcard notifying physicians of a contract update. Physician Partners has received this information – there is no need for you to take any further action.
