Poll Questions

Overview

- 2007 was PQRS's 1st year & was a disaster
 - Processing was slow
 - Methodology was cumbersome / required 80% of outpatient visits
- Changes made in 2008 included a 2nd method to qualify which is known as a "Registry Method"
- 2015 regs essentially same as 2014

Overview

- 2014 was the last year for the incentive payment
- 2015 is the performance year for the 2017 PQRS payment adjustment
 - Payment adjustment in 2017 will be -2.0% for non participation
 - Adjustment to EPs Part B covered professional services under Medicare PFS (Physician Fee Schedule)

Value-Based Modifier

- 2015 will be the first year for Value-Based Modifier
 - Requires 50% participation for each practice
 - Does not require GPRO Registration
- Why?
 - CMS wants to make sure that practices are diligently adhering to the PQRS practice philosophy
 - Learn more at CMS.gov ([click here](#))

Registry Method
