RETURN ON INVESTMENT

What's in it for you?

Physician Partners annual dues are **\$1,350**. Physician member offices participating in our contracts saw an average reimbursement increase of **\$24.32*** per visit from patients covered by our PPO plans.

At that rate, if you saw **5** patients per week on our contracts your practice would experience a **500%** return on investment.

*For this study, only CPT 99213 was utilized for 3 large PPO contracts: Cigna, First Health/ Coventry, and Multiplan.

INCREASED VALUE

Physician Partners offers you major discounts on items you purchase most for your medical practice. We have forged preferred purchasing relationships with trusted partners such as: [Office Depot](#), [MedLine](#), [Cooperative of American Physicians](#), & [Capital Bankcard](#).

Our goal is simple, to help you improve revenues and decrease costs.
