**Scripps Affiliated Medical Groups Marketing Materials are Being Delivered to your Office!**

Let your patients know that you're participating in Scripps Affiliated Medical Groups! Marketing materials, including signage, mobile app cards, and tri-fold brochures (that can be stamped with your office's information) will give you new opportunities to reach out to your patients. All physician offices will receive these marketing materials by the end of the month.

**Chronic Care Management**

CMS now reimburses physicians for managing Medicare patients with 2 or more chronic conditions. Learn how providing this program to your Medicare patients can increase revenue, and improve satisfaction of patients and staff, without the need for additional office resources or upfront costs.
